### SUNDOWNERS CAMPING CLUB

Greetings Everyone,

We enjoyed our July outing the weekend of July 22 - 24, 2005. We went to a new campground for us. The campground was just north of Harbor Beach, Mich. and was called North Park Campground. It was close to the water (Lake Huron) but because of trees, we couldn't see the water unless you walked across the road to the beach. It was very nice though, with large, clean lots & we had full hook-ups, which we all enjoy.

We had 13 campers at this outing, which is a good turnout, and several of them decided to stay an extra night. We had our usual wine & cheese party on Friday evening that always is much more than wine & cheese. Our campers always seem to come up with such a variety of great tasting snacks for us. After that, most of us didn't feel the need for any supper, so we managed to get the campfire started. Yes, we had a campfire even though we were in the real hot 90-degree weather. It did cool off enough in the evening that we could enjoy the fire.

Harbor Beach is a quaint little town, and several of our campers drove into town to shop and also to enjoy a great breakfast & lunch at a real good & reasonable restaurant there. We had our coffee & donuts both Saturday & Sunday mornings thanks to Ken & Lois Leverentz, who were our hosts for July. We thank them for doing such a good job. We had our potluck supper at 6pm Saturday evening, and as always, our ladies put on a wonderful variety of food for us to enjoy. We then had another campfire & sat around the big circle to watch the fire & visit with each other.

It was great to see everyone, and we look forward to our next outing at Groveland Oaks, County Park, near Holly, Mich. Once again we invite everyone who is interested to give Marge or me a call at 810-765-1282, and we will be happy to answer any questions you may have about the club.

Until next month, Happy Camping,  
Frank Clark, Wagonmaster
