## Rochester Elks #2225

Making a Difference for 44 Years!

June 2005

**From Your  
Exalted Ruler**

Hi Everyone,

Let me first thank those of you who read these articles each month. As I have been telling you, our Lodge is a great place to be

and there are many wonderful things going on here. The month of May brought us the "Teen of the Month" award dinner. Seven students were honored at that event. On Mothers Day, we served over 100 people a brunch. At each event, there were smiling faces with a few tears thrown in. To see our older leaders such as Dale Orchard and Don Iodize stand beside our youngest leaders, such as Stacey Brode, Jr. Elk President at these events was an incredible experience. You could almost feel the baton of wisdom being passed---and shared.

So, for all the members that feel that they are biding their time in order to become a life-time member and use their membership card in another state and not share in our lodge activities, God bless you all and you will never know what you are missing.

Till next  
month.

-Sandy Cantanese, ER

### **Editors Note**

To all of our members whole do not live in the local Rochester area, like Shelby Twp, Utica, and other outskirt-areas; we are working hard with the post office in getting the newsletter to you in a more timely manner. The post office is analyzing our publication to see if it can help us get processed more quickly at the center it has to be sent to. Thank you for your patience and please look ahead and call the Lodge for upcoming events.

Thanks
