

# Elks Working Together

Thank you to everyone that came to the lodge on April 30th for the Tolin Family Benefit. The night was a huge success!! We raised over **\$6,500** for this fantastic family! There was dancing, food and a lot of money given away in prizes. The Tolin's had a rare family night out and danced with all of us who got their groove on. Brent Tolin had two solos and there wasn't a dry eye in the house!! The big winners for the reverse raffle were: Al Lamphier, Sue Monaghan and Ken Brode - they split the grand prize of \$1,000. Sue decided to donate her winnings back to the family along with many of the other \$50.00 ticket winners and raffle winners for the evening. The lodge was lucky enough to show many non members what we are all about - Charity, Justice, Brotherly Love and Fidelity. We should be proud as Elks to have had the opportunity to show the community what we stand for. Many thanks to everyone who helped out with set up, tickets sales, donations for the silent auction and their support to make this night a success. The picture that the May's had made for the Tolin's now hangs in their living room above the fireplace. The Tolin's have asked me to thank each and everyone of you for being such wonderful, giving people.

Thank you
