Hi Everyone,
I call this article "CHECK YOUR CALENDER"

With fall fast approaching, we do have some wonderful projects that we are working on, here at the Rochester Lodge.

First, let me start with the large amount of people who have been asking about Bingo. We are working on this project and hope to do a Bingo party in the near future. Please check next month's calendar for more information.

We will continue to have fish fry's on Friday evenings. Our chefs (Dave, Sue, Kurt and Julie) are doing a great job. Check the calendar for upcoming dates that this dinner will be served.

We encourage you to buy one ticket for the "win a car" raffle, and then sell another one to a friend, spouse, or family member. Each ticket is \$50.00 and this prize is a brand new car to be raffled off at our annual Christmas parade party day. Check the calendar for more information.

We will be holding another Texas Hold'em card party in October. Check your calendar for date.

The annual Pumpkin Patch is fast approaching. For those of you who don't know what this is, it is a Halloween party that is sponsored by Rochester Elks and friends for challenged children and adults. It is always held on Thursday evening before Halloween and there is food, drink, music, pumpkins, laughter, and a whole lot of love. Check your calendar.

As I write this article, a Halloween dance is in the making. This will be at our Lodge. Check your calendar.

Room rentals are always available at the Lodge. Stop in and check it out. Please contact Dave Monaghan and he'll check the calendar.

The thought behind this article is that if you do check the monthly newsletter calendar, you will more than likely find something interesting enough to do or something you find interesting enough to volunteer your services for.

And last, but not least, my friend Brian Monaghan thought it would be a nice thing for me to mention his name in one of my articles. And I certainly couldn't think of a reason why I wouldn't want to mention our favorite attorney.

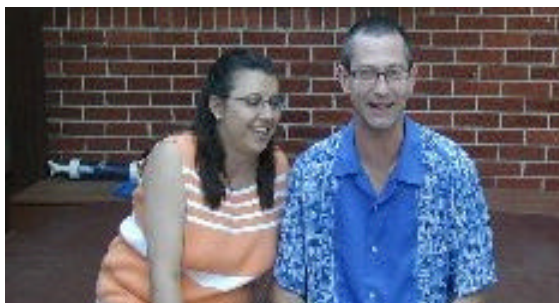

Till next month
