

News from the Jr. Elks

The Jr. Elks have been very busy lately. Our Rockin' Open House was a HUGE success. We were able to raise \$400 for Lighthouse, plus about \$500 worth of pantry goods! A gigantic thanks to Fate Of The World for their outstanding performance! We would like to send a huge thank-you to all who came. The Jr. Elks were a bit disappointed in the showing of adult Elk members at this event. We do so much for others at the Lodge and the community, for some of you to not have faith in us. Any Elks who are free for an event should be there to show their concern for the community. Please support the lodge's future by being at events! Anyways, the Jr. Elks 1st annual car wash was an amazing event! We raised a combined amount of over \$300! Thank-you to all of you who came! Also, let me say that the dirtiest car award goes to Brian Dittmer! Second place goes to his father, and Third place goes to Kay Corless! The coolest car by far was the slick, black, Thunderbird that a nice man let us wash for him with the top down! What a beauty! Well, that's it for now, but please if you have any children and/or grandchildren between the ages of 8-16 that would like to join, please let the Jr. Elks know so we can invite them to a meeting and give them an application! Also, to all Jr. Elks: good luck with the new school year! Keep your eye on those grades! God Bless you all and have a wonderful day!

Sincerely, *Kayla Dever-Jr.Elks Chaplin*

Sitting in front are new members Shayna Powell and Sydney Corless with the Jr Elks following their initiation in August

The kids waste no time in getting straight to work planning for future projects

It's back to school and time to pack those lunches again! The Jr. Elks are holding their second peanut butter and jelly drive. During the month of September stop by the lodge and donate your favorite PB&J fixens. There will be a box near the front door. All collected items will be taken to our local food pantry. Thanks for your support!!

ELKS FAMILY CORNER

During his family summer vacation honorary PER Al Lamphier spent some time on lake Michigan catching some Big fish with (left to right) son Darin Lamphier, PER, daughter Amy Otto, Al, daughter-in-law Jennifer, and not pictured are son Gary and son-in-law Paul Shepich
