

## Fundraiser 2006 is Underway

O.k. as of Friday morning (April 10th), there have been 29 tickets sold (meaning the money was also turned in by then). Not bad considering they started selling them April 7th. These tickets will sell fast!

Don't be the only Elk without one. If you are one of those people waiting because the drawing is not until December...it may be too late! We are selling these to anyone over 21 that has 20 dollars and a soft spot in their heart for our Lodge (or maybe they just want to win that \$6000 Best Buy gift card...who wouldn't).

Whatever the reason, get yours today. They are available at the Lodge or you can contact Mat Vivona directly at 248 808 5725. If you're interested in signing out a block of 20 tickets to sell to your family, friends, and coworkers, we will help you with that too. But when they're gone...they're gone until next year!

Thanks for your support!
